

JOIN THE STROLL

Please join us in the celebration of Brattleboro's seventh annual Strolling of the Heifers, June 6-8, 2008. It will include music, dancing, entertainment, and agricultural and a "Green Expo" displays throughout the weekend. The Saturday morning parade begins at 10:00 am sharp with a starting point on Flat Street with a "stroll" up Main Street and ending at the Brattleboro Retreat Health Care grounds. This is a gala parade celebrating the importance of sustainable agriculture.

BE IN THE PARADE

Join the excitement in costumes, dance, music, puppets, or use your imagination. Motorized vehicles are not included in the parade, with the exception of farm vehicles. Hay wagons drawn by draft animals or farm vehicles make great platforms for musical groups or other acts that can not march. Other than draft animals, all animals will need to be appropriately contained (i.e., in a cart, crate, etc.). If you need ideas for floats please call Bob Doney.
