Dear Friend of the Stroll:

Each year thousands of enthusiastic and engaged fans flock to the small town of Brattleboro, Vermont looking for new products and innovative solutions that align with their values. The time-honored Strolling of the Heifers Weekend has gained a reputation as a showcase for forward thinking brands that support sustainable agriculture, local food, renewable energy, green building and healthy living practices.

Position your organization as a MOOver and shaker with your sponsorship and presence at our annual June Stroll events!

Your sponsorship directly connects you with tens of thousands of consumers eager to learn about your brand.

But, the impact doesn’t stop there! We offer the opportunity to connect with our global fan base all year long.

We’re excited to work with you to craft a sponsorship package that gives you optimal brand and product exposure at our events. Space is limited, so please call or email us immediately to discuss opportunities and benefits.

With best wishes,

Orly Munzing

RIVER GARDEN INNOVATION CENTER

Located in downtown Brattleboro, our 9,000 square foot innovation center hosts community gatherings, meetings, lectures, concerts and events year round including:

SLOW LIVING SUMMIT

Our two-day annual Summit provides a living lab for attendees to learn and practice innovative models to help reclaim ownership of our communities.

LOCAVORE INDEX

Our annual Locavore Index, which rates all 50 states on their commitment to healthy local food, stimulates discussion around the country about increasing local food consumption.

STRENGTHENING THE FARM AND FOOD ECONOMY SINCE 2001

Our world-famous Strolling of the Heifers Weekend, featuring the Parade of well-groomed heifer calves, Slow Living Expo, Friday Festival and Tour de Heifer, supports our year-round work.

Every day we work to support entrepreneurs, to provide culinary job training to underemployed community members, and to connect food producers and consumers.

We provide resources to grow the businesses of entrepreneurs and farmers, and place underemployed community members in meaningful jobs.
WHY SPONSOR STROLLING OF THE HEIFERS?

Your sponsorship enables you to share your brand, products and services, with the thousands enthusiastic and engaged fans who attend our events. The time honored Strolling of the Heifers Weekend has gained a reputation as a showcase for forward thinking brands and positions your organization as a MOOver and shaker.

With a Strolling of the Heifers event marketing package, your firm, organization or brand will profit from:

- Direct engagement with consumers eager to learn about your brand
- Association with the overwhelmingly positive public image of Strolling of the Heifers, as portrayed in widespread media exposure
- Recognition of your brand as a support of sustainable agriculture, local food, renewable energy, green building and healthy living practices
- Exposure of your brand and logo through our marketing and PR outreach program

*Additional benefits outlined in the sponsorship grid.*

FARM-TO-TABLE APPRENTICESHIP

Teaches culinary and nutrition skills to unemployed and underemployed community members, providing therapeutic supports, and placing them in paid internships which lead to full-time, permanent positions at local restaurants and institutional kitchens.

WINDHAM GROWS

Entrepreneurship plays an important role in the growth of our national and local economy. Our farm and food business accelerator provides the mentorship, resources and support entrepreneurs need to take their business to the next level. The accelerator serves as an innovation hub and model to create thriving companies and entrepreneurial ecosystems in communities nationwide.
